

## EDGE-8 LED Wall Light

### Description

The EDGE-8 is a modern and ultra-thin IP65 Wall light series that offers a stylish solution to modern front facades or back patio areas where ambient lighting is required, as well as lighting sides of the house. Featuring a Black, White or Dark Grey powder coated Aluminium frame, with an optical lens diffuser to give a narrow spread of light. Available in Warm White 3000K or White 5000K colour temperatures. Backed by our 3 Year Replacement Warranty.
