

ORA-300 LED Ceiling Light

Description

The ORA-300 LED Ceiling Light utilises LED technology to provide a uniform and energy efficient alternative to incandescent or CFL lamps, with only 15W of power consumption!

The ORA-300, with its opal diffuser and metal decorative trim (with a choice of two colours), is a simple yet effective ceiling light well suited to many areas (e.g. bedrooms, lounge rooms, kitchens etc). The ORA-300 also features the ability to be dimmed with the EV-DIMMER (20505), also available from the Evergreen Range of LED products.
